

EHPR Summer Camp Presents...

Connecticut
Science Center

SCIENCE ALLEY

Science Alley is an immersive ten-story experience that will astonish and amaze adults and youth alike. Science Alley is designed to connect our visitors to the science themes and concepts featured in our galleries and enable our guests to investigate and discover the unseen elements behind some of the earth's greatest wonders.

Wednesday
July 10th, 2024

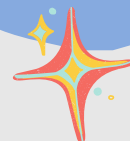

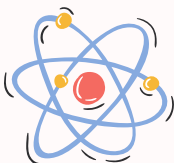

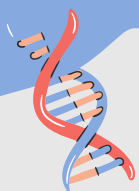

Get ready to explore
multiple levels of
interactive science fun!

SCIENCE FICTION, SCIENCE FUTURE

Step into the future and experience the unimaginable! Control objects with your thoughts, disappear from sight, engage in games with robotic companions, and immerse yourself in augmented reality. *Science Fiction*, *Science Future* takes you on a one-of-a-kind adventure, delving into the wonders of tomorrow's technology...today. Explore a futuristic world bustling with interactive and engaging activities showcasing the latest cutting-edge technologies such as holograms, robotics, invisibility, augmented reality, and so much more. *Science Fiction*, *Science Future* blurs the lines between science fiction and reality, revealing that the future is not as distant as it may seem. For a limited-time only and included with any paid General Admission or Membership.
