

# Red Shirt Counselor 2024

Dreaming of being a camp  
counselor, but aren't 16 yet?

East Haddam Parks and  
Recreation is offering an  
opportunity for students who  
have already completed their  
freshman year of high school to  
be a volunteer camp counselor.

East Haddam Parks and Recreation is seeking our finest, most motivated, and responsible students to participate in the Red Shirt Counselor/Counselor in Training Program this summer. This volunteer program is designed to provide leadership opportunities that prepare teens to become staff members at camp, as well as productive members of our community. This highly selective program will pair students who have completed their freshman or sophomore year with senior staff to assist in teaching and carrying out daily activities with our campers. Summer Camp will run July 8 – August 16. Those selected to participate in this program may choose one week of camp (Monday-Friday from 9am-5pm) to join us. You may have the opportunity to participate in additional weeks depending upon performance.

After receiving the completed application (Due by May 15) we will invite you for an interview. Applications can be found in the Parks and Rec office, in the high school guidance office, and on our website at [www.easthaddamrec.com](http://www.easthaddamrec.com) under the forms tab.
